

JOB APPLICATION - COMMUNICATIONS DESIGNER REFLOW + FoodShift

REFLOW. REFLOW is an EU H2020 funded project, from 2019 to 2022, that seeks to understand and transform urban material flows and to co-create and test circular and regenerative solutions at business, governance and citizen levels.

FoodShift. Starting in January 2020, FoodSHIFT2030 will launch an ambitious citizen-driven transition of the European food system towards a low carbon, circular future, including a shift to less meat and more plant-based diets.

Main Responsibilities:

- Develop and design Branding strategies for both projects, considering targets and objectives.
- Design and produce brand and communicational pieces for different supports (digital & physical).
- Design websites, platforms and landing pages (UX & UI).
- Audiovisual documentation of project and activities related (Photo and video).
- Develop comunicacional and advertising campaigns.

Competences (Experience, Knowledge and Skills):

- Marketing and Business strategy
- Graphic design.
- Experience in writing contents and publications.
- UX / UI design.
- Filmmaking and photography.

Specific Requirements:

- An EU national, or with a working permit for Spain.
- Fluent in English and Spanish; Catalan is a plus – other languages are a bonus.
- Bachelor in Business Administration and management.
- Master in design, arts, etc. is a plus.

CONTRACT DETAILS

- Work and service contract.
- Part-time position (10h week, from Monday to Friday) based in Barcelona.
- Date of start: December 2019.
- Salary: 6,250.00 € per annum (based on 25,000.00 € per annum). According to experience.

DEADLINE AND APPLICATIONS SUBMISSION

The application period will close on the 7th December 2019.
